Company History

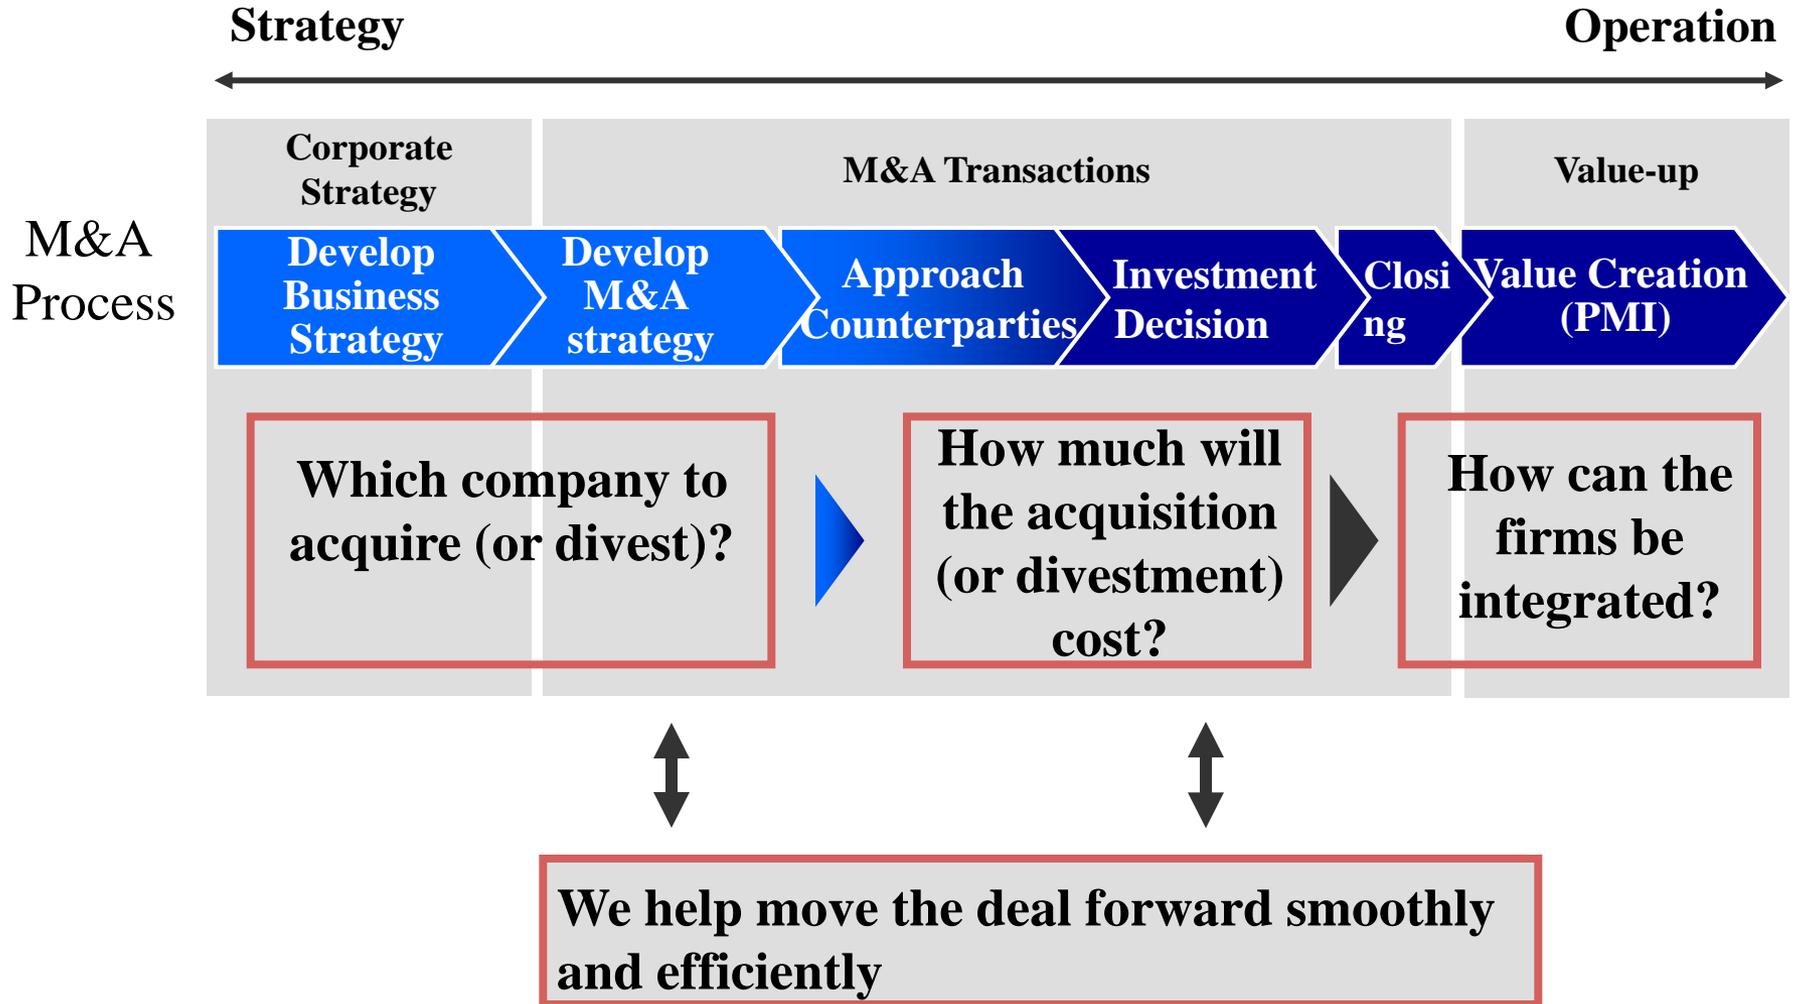

- Independent M&A consulting firm
- Global firm with roots in Asia

- **In professional firms, skills and expertise are more important than gender, age or nationality.**
 - ⇒ Gender makes no difference.

- **Professional firms value individuality.**
 - ⇒ Women with diverse values have great potential.

- **Family-type management style important.**
 - ⇒ Women help create a family atmosphere.

AMC's 4 Core Services

■ **Industry Reorganization**

Birth of new sectors as a result of industry reorganization, such as the electric vehicle sector, etc.

■ **Group Reorganization Internally (Concentration in Core Competence)**

Freed from previous restraints, a divested business can aim to achieve new growth opportunities.

Capital realized from the divestment can be used for other investments.

■ **Business Succession**

A new owner with a global vision can turn a local company into a multinational corporation.
