# Women in national parliaments

Situation as of **1<sup>st</sup> February 2013**WORLD  
AND REGIONAL  
AVERAGES

The data in the table below has been compiled by the [Inter-Parliamentary Union](#) on the basis of information provided by National Parliaments by 1<sup>st</sup> February 2013. **190 countries** are classified by **descending order of the percentage of women in the lower or single House**. Comparative data on the [world and regional averages](#) as well as data concerning the two [regional parliamentary assemblies](#) elected by direct suffrage can be found on separate pages. You can use the [PARLINE database](#) to view detailed results of parliamentary elections by country.

REGIONAL  
PARLIAMENTARY  
ASSEMBLIES

**New:** You can now consult our [archive of statistical data](#) on the percentage of women in national parliaments.

## WORLD CLASSIFICATION

| Rank | Country                     | Lower or single House |        |       |       | Upper House or Senate |        |       |       |
|------|-----------------------------|-----------------------|--------|-------|-------|-----------------------|--------|-------|-------|
|      |                             | Elections             | Seats* | Women | % W   | Elections             | Seats* | Women | % W   |
| 1    | Rwanda                      | 9 2008                | 80     | 45    | 56.3% | 9 2011                | 26     | 10    | 38.5% |
| 2    | Andorra                     | 4 2011                | 28     | 14    | 50.0% | ---                   | ---    | ---   | ---   |
| 3    | Cuba                        | 1 2008                | 586    | 265   | 45.2% | ---                   | ---    | ---   | ---   |
