My message on ending violence against women.....

Violence against women is very demeaning and has a lot of bad negative effects on women such as, long-term health and mental problems. And because of this, Everyone who is caught in the act of violence against women must be dealt with by the authorities. Punishments must be given to anyone caught in this act of violence to serve as a deterrent to others.

My message on ending violence against women.....

We need to be kinder, more loving to the women of the world. We are the only ones who are able to procreate and we must acknowledge that power. We all came from a woman, given our names from our mothers, and most likely raised from them. We shall not take from other women, abuse or rape our women, or hate other women. It is a time to heal our women of the world, be real, honest & genuine to our women. We must show them the respect they deserve and **EMPOWER THE WOMEN OF THE WORLD** ♡

My message on ending violence against women.....

Pendant trop longtemps les femmes ont eu à faire face à plusieurs types de violence ^{qui} ce n'est pas du tout acceptable que ce soit :

La violence physique, la violence sociale, la violence sexuelle, la violence conjugale ou même la violence Religieuse je dirais

qu'il est grand temps que ça prennent fin.

Les femmes sont courageuse, Fort, Incassable ce qui veut dire que leur place dans la société est très important

sans la femme l'avenir des enfants n'est pas crédible
C'est pour cela qu'il faut traiter la femme non seulement avec du respect
mais avec ~~avec~~ ^{avec} ~~son~~ ^{son} ~~corps~~ ^{corps} d'amour.

My message on ending violence against women.....

Minden nő megérdemli, hogy azt az életet élje, amit szeretne. Annak ellenére, hogy testben talán gyengébbek vagyunk, mint a férfiak, nem engedhetjük meg, hogy bántsanak minket. Minden nőnél össze kell fognia és segítenie egymást, nem csak azokkal, akik érintettek az ügyben. Sokan eltitkolták, hogy mi történt velük, segítenél azt, de nem szabad. Ki kell állnunk magunkért, büszkélkedni kell lennünk arra, hogy erősebb maradtak, türelmet, ami velük történt és elmondaniuk a történetüket mindenkihez, ezzel segítve a többi bántalmazott nőt.

神創造男與女，這表示我們兩性的存在是同等重要而且缺一不可。~~我們~~在很多國家，尤其在一些比較傳統的国家，~~還~~仍然存在著男女性不平等以致發生許多家庭暴力事件屢見不鮮。作為一個女性，我更加對如此事件感到氣憤，社會需要改變，而且性別本來是一個中性的詞，我們不應再被這些傳統觀念束縛，女性同樣可以獨立，自主，活出一條屬於自己的路。人是必須有基本的尊重，就如我們更應該尊重自己家人一樣。我希望藉著這個機會可以鼓勵受傷害的女性可以

여성과 남성은 각자의 성격함과 개성이 차가 있을 뿐,
인간으로서의 가치는 동등합니다. 어느 한쪽의 성이 우월할 수는 없습니다.

서로의 Gender에 대한 편견을 두지말고
서로를 소유하려 들지말고
서로의 차이를 인정한다면 모든 사람들에게 대한

My message on ending violence against women.....

Everyone was born equal, there shouldn't be any injustice nor discrimination on women. Gender inequality is not tolerable either, treating everyone the same is the basic human right that we should get. When women are treated not right, she should always stand up and voice out, avoiding or hiding is never a solution to end such violence happening on them. For the government, they always have the obligation to stop such violence in their country, aside from setting up relevant laws and regulations, education plays an irreplaceable part in advocating anti-violence on women. In some countries, women are treated unfairly, the government officials may try to also collaborate with other countries in the United Nations and impose useful laws to stop this. Last but not least, ladies, chin up, head up and never give up in protecting your human rights.

Violence against women is a grave violation
of human rights. Women are more important
for the world. Need to love, respect, to she-

There is a global epidemic of violence against
women - both within conflict zones and
within societies at peace - and it is still
treated as a lesser crime and lower
priority.

My message on ending violence against women.....

Any kind of violence either domestic, women, human beings, animals, isn't tolerable. I believe every individual has full right to lead a happy life with their free will.

If I was given any chance, I would first raise awareness about your own voice; its power; freewill to say NO & fight back.

I would educate people and aware them that every individual means a lot and they can make a difference in this world through their contribution.

So Yes to Education, Awareness & NO to violence.
