Workplace

Management Policy

The mission of the I.T.A.C Group is to fulfill our professional role with a burning passion in providing business support to our clients for their expansion and growth initiatives. Through playing a role in the success and prosperity of our business partners, we hope to contribute on a local as well as national level.

Management Paradigm (Action Goals)

- (1) Think: to thoroughly anticipate client needs and demands from us.
- (2) Creation: to strive hard to generate ways to fulfill client requirements.
- (3) Challenge: to bear the enthusiasm in taking on challenges, no matter how trivial a request may be, to serve our clients
