女性の政治参画促進について

IPU 資料の更新:日本は世界 157 位

平成 28 年 5 月 1 3 日 第 4 9 回男女共同参画会議 辻村議員提出資料

>>> VERSION FRANÇAISE

Women in national parliaments

Situation as of 1st April 2016

The data in the table below has been compiled by the <u>Inter-Parliamentary Union</u> on the basis of information provided by National Parliaments by 1st April 2016. **191 countries** are classified by **descending order of the percentage of women in the lower or single House**. Comparative data on the <u>world and regional averages</u> as well as data concerning the two <u>regional parliamentary assemblies</u> elected by direct suffrage can be found on separate pages. You can use the <u>PARLINE database</u> to view detailed results of parliamentary elections by country.

New: You can now consult our archive of statistical data on the percentage of women in national parliaments.

^{*} Figures correspond to the number of seats currently filled in Parliament

Women in politics Home page Areas of activity Functioning and documents

^{1 -} South Africa: The figures on the distribution of seats do not include the 36 special rotating delegates appointed on an ad hoc basis, and all percentages given are therefore calculated on the basis of the 54 permanent seats.

in National Parliaments

Situation as of 1st April 2016

COMPARATIVE DATA BY COUNTRY The data in the tables below has been compiled by the Inter-Parliamentary Union on the basis of information provided by National Parliaments by 1st April 2016. The percentages do not take into account the case of parliaments for which no data was available at that date. Comparative data on the percentage of women in each National Parliament as well as data concerning the two regional parliamentary assemblies elected by direct suffrage can be found on separate pages. You can use the PARLINE database to view detailed results of parliamentary elections by country.

New: you can now consult an archive of statistical data on women in National Parliaments.

WORLD AVERAGE

BOTH HOUSES COMBINED					
Total MPs	45'812
