Women in national parliaments

Situation as of **1st January 2017**

WORLD
AND REGIONAL
AVERAGES

The data in the table below has been compiled by the [Inter-Parliamentary Union](#) on the basis of information provided by National Parliaments by 1st January 2017. **193 countries** are classified by **descending order of the percentage of women in the lower or single House**. Comparative data on the [world and regional averages](#) as well as data concerning the two [regional parliamentary assemblies](#) elected by direct suffrage can be found on separate pages. You can use the [PARLINE database](#) to view detailed results of parliamentary elections by country.

REGIONAL
PARLIAMENTARY
ASSEMBLIES

New: You can now consult our [archive of statistical data](#) on the percentage of women in national parliaments.

* Figures correspond to the number of seats currently filled in Parliament

1 - South Africa: The figures on the distribution of seats do not include the 36 special rotating delegates appointed on an ad hoc basis, and all percentages given are therefore calculated on the basis of the 54 permanent seats.

Women in National Parliaments

Situation as of 1st January 2017

The data in the tables below has been compiled by the [Inter-Parliamentary Union](#) on the basis of information provided by National Parliaments by 1st January 2017. The percentages do not take into account the case of parliaments for which no data was available at that date.

COMPARATIVE DATA BY COUNTRY

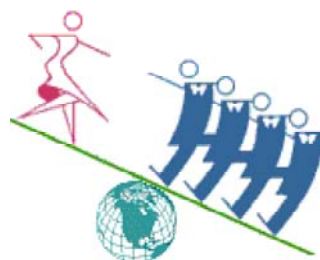

Comparative data on the [percentage of women in each National Parliament](#) as well as data concerning the two [regional parliamentary assemblies](#) elected by direct suffrage can be found on separate pages. You can use the [PARLINE database](#) to view detailed results of parliamentary elections by country.

REGIONAL PARLIAMENTARY ASSEMBLIES

New: you can now consult an [archive of statistical data](#) on women in National Parliaments.

WORLD AVERAGE

BOTH HOUSES COMBINED	
Total MPs	46'136
Gender breakdown known for	46'136
